Welcome Message

Dear Friends,

Greetings from Pune, India!

On behalf of the Foundation for Research and Education in Endoscopy (FREE), it is a pleasure to invite you all to a yet another unique focused Single Theme Conference & Hands on Workshop on “Endoscopic Closure Techniques” on August 15, 16 & 17th August 2025 at Pune!

The last few years have witnessed a tremendous surge in Endoscopic Technology especially Endoscopic Closure techniques, including several types of specialized through-the-scope & over-the-scope clips, tacking & suturing devices and other novel techniques.

The need to perform endoscopic closure is often felt by every endoscopist, interventional or otherwise. Further, as surgical interventional endoscopy evolves and gains global acceptance, endoscopic closure devices and procedures have evolved tremendously, and we are often unaware of the nuances of these technologies.

As the basket of endoscopic closure devices grows steadily, the clinical endoscopist is often confronted with the challenge to choose appropriately and wisely amongst these options during a particular clinical situation. Given the plethora of available devices and options, this can often become difficult. To increase awareness regarding endoscopic closure and to help endoscopists select appropriate options, this year we have planned a special single theme course on Endoscopic Closure Techniques, which will address and discuss these requirements.

This two-day course will consist of Live Endoscopy procedures demonstrating various Endoscopic Closure Techniques, accompanied by Video Lectures and Video based interactive Case Discussions and Panel discussions to bring out the nuances and differences regarding various closure devices and techniques. The focus of these scientific discussions will be to understand the principles and techniques of tissue closure, to familiarize oneself with the various closure devices and identify and discuss common pitfalls and areas of troubleshooting while using these devices.

An expert panel of International Experts have already confirmed their participation, along with our own galaxy of National Stars!

The conference begins 5pm on Friday August 15th with Keynote Lectures and a Dinner Symposium that will showcase two-hours of invited Live Endoscopy from two International Centers. On Saturday August 16th we shall have a full day of Live Endoscopy and Video based Interactive Discussions. On Sunday 17th, a specially curated Hands-on Training Masterclass for various endoscopic closure techniques including several types of through-the-scope and over-the-scope clips, X-tack, Endoscopic Suturing and others will be available for pre-registered candidates.

For details of registration, scientific program, and logistics, please visit our website – endoscopicclosure2025.freendoscopy.com

For questions, we are also available on email – freendoscopy@gmail.com and on WhatsApp and phone on **+91 99215 33381**.

Warm regards,

Amol Bapaye
Course Director

Program Highlights

- Globally the First ever Single Theme conference & workshop on – 'Endoscopic Closure Techniques'!
- Learn about 'Surgical Principles of Tissue Healing, Approximation & Closure' as applicable to Endoscopy!
- Brainstorming Interactive Sessions highlighting nuances & differences between various Endoscopic Closure Devices!
- Find the correct answer to the perpetual conundrum & debate – 'Pull it Together 'or 'Bridge the Gap'!
- Live Endoscopy – Watch experts perform various Endoscopic Closure procedures in different situations!
- Video based Clinical Case Discussions – to highlight selection of the correct device for the correct indication!
- Dedicated Hands-on Training Masterclass on Endoscopic Closure Techniques on Specially Curated models – TTS Clips, DAT & Mantis™ Clips, OTS Clips, X-Tack, Endoscopic Suturing & several other novel devices!
- Conference scientific sessions begin @5pm on August 15th and end @6pm on 16th; and the Hands-on masterclass will be conducted on August 17th!
- New interactive meeting format to enhance discussion & audience interaction!
- Focus on detail – towards improving efficiency & safety!
- Galaxy of International Experts & National Stars will share their knowledge, experience, skills & philosophy!

REGISTRATION FORM

15th, 16th & 17th August, 2025 | Venue : J W Marriott Hotel

Surname:First Name:

Postal Address:

.....City:Pincode:.....

State:Country:Date of Birth :

Email (Please mention active email ID):.....

Tel. (with area code): Residence:Office:

(MANDATORY) Mobile:Fax:

All Future communications will be through email and mobile via SMS.

Please make payment by Bank Transfer Or DD / cheque in favor of **"Foundation for Research & Education in Endoscopy"**

Bank A/c details is as follows :

Bank name: **Axis Bank, Karve Nagar branch, Pune**

A/C no.: **919010056583427** | IFSC Code: **UTIB0001436**

Mode of Payment : Cheque / Draft / Bank TransferDated

Please send duly filled registration form along with DD / Cheque to :

Dr Amol Bapaye, Shivanand Desai Center for Digestive Disorders, Deenanath Mangeshkar Hospital & Research Center,
Erandwane, Pune - 411004

For More Details : Write to us on freendoscopy@gmail.com or Call or SMS on **+91 9921 53 33 81**

Conference Registration Details :

Packages - Residential	Single Occupancy	Double Occupancy (Twin per- person)
Residential Conference Only (2 Nights)	Rs.44840 (Rs. 38000 + Rs. 6840 GST)	Rs. 33040 (Rs.28000 + Rs. 5040 GST)
Residential Conference + Hands On (2 Nights)	Rs.50740 (Rs. 43000 + Rs. 7740 GST)	Rs. 38940 (Rs. 33000 + Rs. 5940 GST)
International Delegate (3 Nights & Hands on)	1200 USD	

Packages - Non-Residential	Single Occupancy	Double Occupancy (Twin per- person)
Non Residential Conference Only	Rs. 20060 (Rs. 17000 + 3060 GST)	N. A.
Non Residential Conference + Hands On	Rs. 25960 (Rs. 22000 + 3960 GST)	N. A.
Accompanying Person	Rs. 14160 (Rs. 12000 + 2160 GST)	N. A.

Hands on Training Sessions

- | | | | | |
|-----------------------|----------------|-------------------|----------------|-----------------|
| 1. Standard TTS Clips | 2. Mantis Clip | 3. DAT Clip | 4. OTSC Clip | 5. STAR clip |
| 6. X Tack | 7. Overstitch | 8. Overstitch NXT | 9. Clip & Line | 10. Loop & Clip |

Delegates must register for conference in order to register for the Hands-on stations. Only registration for Hands-on is not permitted.

Cancellation Policy :

Cancellation on or before 15th July 2025 - 50% of Registration fee and full GST amount will be deducted.

Cancellation on or after 16th July 2025 will get no refund.
